Halloween - Ghostly Handprints

Your child can make their own ghoulie, ghostly horrifying handprint decorations! It's easy!

SET UP

You will need:

Black construction paper

White craft paint (make sure it's washable!)

Paintbrush (optional)

WHAT TO DO

1. Lay the construction paper on a flat surface.
2. Cover your child's palm(s) with white paint. You can use a sponge, a paintbrush, etc.
3. Next, your child presses his or her palms on to the paper. When they lift their hand(s) they'll see a scary apparition staring back at them!
4. Let the your new ghosts dry. After you're sure they're completely dry, you and your child can decorate by drawing a face or gluing on additional touches. Use your imagination!
5. Use clothespins to hang on a line, tape them to the refrigerator, or put them on your front door.
6. Oh, and just one more thing: BOO!
