

Jack's Big Music Show – Sing Along

Music Everywhere

**When I was just a little boy
I discovered the power of noise
I discovered the greatest of toys**

**Like elephants who run up stairs
Drummin' with your teddy bear
Strum a strand of your own hair
Let's make music everywhere**

**Like elephants who run up stairs
Drummin' with your teddy bear
Strum a strand of your own hair
Let's make music everywhere**

**When I was just a little boy
I discovered the power of noise
I discovered the greatest of toys**

**Let's give a concert to a chair
Play guitar solos in the air
Now you make noise to share
Let's make music everywhere**

**Let's give a concert to a chair
Play guitar solos in the air
Now you make noise to share
Let's make music everywhere**

Okay, maybe not so loud
Now let's go me-e-e-dium loud
That's one more way
That you can say medium soft**

**This song is near its end
How's bout's we sing it once again**

**Like elephants who run up stairs
Drummin' with your teddy bear
Now you make noise to share
Let's make music everywhere**

Drummin' with your teddy bear
Now you make noise to share
Let's make music everywhere**
