

Jack's Big Music Show – Sing Along

## Scared

**There's a hole in the fence in the back of my yard  
I like to sneak out, but I never go far  
All kinds of things hanging out in the trees  
And I don't like the way they're looking at me**

**I get scared at creepy things  
Bats that bite, bugs that sting  
I get scared, and I don't why  
But I'll get over it by and by and**

**By the stairs there's a door to a tiny room  
It's just a closet but I swear the broom moved  
I hear noises in the middle of the night  
It sounds like it's coming from somewhere inside**

**I get scared and I wanna run  
I get scared, and it's no fun  
The world can be a spooky place  
But if you hold my hand I'll be okay**

# Scared

## page 2

Oooh, when I think of it I got nothing to be afraid of  
Got everything I need, and mama and daddy's love  
Monsters, goblins and ghosts and noises in the night  
They're all just in my mind, I know I'll be alright

Looking out the window at the darkening sky  
I'm turning on the lights while my kitty cat hides  
The lightening and the thunder and the wind and the rain  
My brother thinks it's cool but I'm really not entertained

I get scared and I can't explain  
Why I shake like a house in a hurricane  
I get scared so please stay near  
And I won't be so full of fear  
I get scared, like everyone else  
I get scared all by myself  
But I'm not scared  
I'm not scared  
Try not to be  
I'm not scared
