

ZOOM game™

Katta Villayatu

What You Need

- a friend
- 3 pennies
- 3 dimes

This game from India is like Tic-Tac-Toe.

- 1 Pick up** the dimes and **give** your friend the pennies.
- 2 Look** at the game board. The black circles are the spaces you play on.
- 3 Take turns** placing coins on the circles until both of you have put down all your coins.
- Now take turns **moving** your coins. On each move you can **slide** your coin forward, backward, or sideways along a line to the next circle. You **can't jump** any coins.
- Keep playing until someone gets **three coins** in a row. That person **wins!**

My Idea for a New ZOOMgame™

Here's another game that's similar to Katta Villayatu. Draw a **Tic-Tac-Toe** game board on a separate piece of paper. Use coins for X's and O's. When you and your friend have put down all your pieces, take turns **moving** pieces, until someone gets three in a row. Can you think of an idea for a **new game** that uses coins for pieces?
