Weekends on Sprout
from 3-6pm ET

LET'S GO CART

Materials:

- ✿ Cardboard box big enough for a Sproutlet to sit in (ask your local grocery store for any extra large boxes)
- ✿ Five paper plates for wheels and a steering wheel (or you can use a Frisbee®, like Miles!)
- ✿ Packing tape or glue
- ✿ Decoration for cart: markers, stickers, construction paper, glitter, anything you want!

Instructions:

1. Have a grown-up fold in or remove flaps from one long end of cardboard box.
2. Decorate four paper plate wheels and the steering wheel.
3. Glue or tape wheels to each of the four corners of the box.
4. Then decorate the cart in any way that you want! Draw doors on the sides, make headlights out of paper plates, put tin foil on the front and back for a bumper, make a license plate with your name on it. Have fun and make it your own!
5. **Now let's go, go, go!! VROOM VROOM!!**
