PARTY TIME

words & music by Tim Burns

Now I know it's time for something, was it
Nap time? (NO) Bath time? (NO)
Story time (NO!) Cleanup time (NO!)
Tickle time, pickle time?

Oh yeah, I remember it's...
Party Time, Party Time,
Party Party Party Party, Party Time (repeat)

Hand out the invites, blow up the balloons
Turn up the music, all your favorite tunes
It's going to be a great time for girls and boys
So put on your smile, and set up your toys

Because it's lunch time? (NO!) supper time? (NO!)
Haircut time? Oh, yeah, it's...

It's Party Time, Party Time,
Party Party Party Party, Party Time
It's Party Time, Party Time,
Party Party Party Party, Party Time

Drinks to drink, and treats to eat,
So clap those hands, and stomp those feet,
Everything is gonna be fine,
Because it's party time!
