## NO DAY LIKE A SNOW DAY ON THE FARM

**KEVIN:** Well, there's no day like a snow day on the farm,

**KELLY:** The whole world's one big frozen fantasy

**SEAN:** There's no need for a snowplow,

**KEVIN:** Just hitch your sled to the nearest cow (Moo!)

**KELLY:** And would you like to see how a chicken learn to ski?

**ALL:** On a snow day, the farm's the place to be!

**KELLY:** There's no day like a snow day on the farm,

**KEVIN:** All the animals come out to play along

**SEAN:** Old Jack Frost gave a wink,

Now the pond's a skating rink

**KEVIN:** And you'll believe that pigs can fly,

When you see them twirling oh so high

**ALL:** On a snow day, come give the farm a try!

**ALL:** A few flakes here, more flakes there,

It's a floating party in the air!

**KELLY & SEAN:** Now the fun is three feet deep,

**KEVIN:** And if you're cold sit next to a sheep!

**ALL:** There's no day like a snow day on the farm

**KEVIN:** Yeah summer's hot,

**SEAN:** Spring may be cool and

**ALL:** Fall has its colorful charm

**KELLY & SEAN:** But there's no day like a snow day...

**KELLY:** Nature's putting on a show today...

**ALL:** There's no day like a snow day on the farm!!!
