Ricky's I Love Bread

This world is full of wonders, so beautiful and nice
But the thing that thrills me the most is the one that comes packaged
by the slice...

Some bunnies live for carrots, some others go for pie
But if I don't get some bread then I think I'm gonna cry.

When I'm hungry and I need to be fed, I love bread...

White bread, brown bread, pumpernickel, too.

So many kinds of bread I want to share them all with you.

Toasted or plain, I love it so

And my piano even starts with dough, doe, doe doe DOE!!!!

Cover it with butter, or margarine if you must

But please, baby, please don't throw away the crust.

Doesn't matter what kind of spread,

I love bread- that's what I said.

From the moment I wake up each morning

Till I'm soundly asleep in my bed, I love bread.

Anybody want to have a bread sandwich?
