## DOIN' THE SILLY SQUARE

words & music by Tim Burns

Bow to your partner, bow to your shoes  
Bow to your partner's elbow

Get up on your toes, grab your nose,  
Wave howdy to a chair  
then hop up and down and squeeze your hair  
now you're doin the silly square (doin' the silly square!)

Promenade around the room,  
Or pour lemonade around the room...

Get your foot stuck like a pig in the muck  
Make circles everywhere...  
Wave your curly tail like you just don't care  
Now you're doin the silly square

The silly square has just one rule it's true  
and that's if you ever stop dancing you have to say..  
Zooga Zigga Bigga Blooga Bloo!  
(Zooga Zigga Bigga Blooga Bloo?)

So scratch your knee, buzz like a bee  
and growl like an alien bear  
Spin like a ferris wheel at the fair  
Now you're doin the silly square  
Doin the silly square - we're done.
