SAFARI SOGOODY

words & music by Tim Burns

On the African Savannah where the sun is hot all day
We can go on a safari and see animals at play
From the aardvarks to the zebras,
And the lions in their pride
We'll wave at them to come along
and join us for a ride, we'll say...

SAFARI SOGOODY, would you like to come along?
SAFARI SOGOODY, sing our safari song
SAFARI SOGOODY, see the animals run free,
SAFARI SOGOODY, SAFARI SOGOODY for me!

There's a trunk up front for an elephant
And a sun roof for the giraffe
The baboons ask us, can we drive the bus?
The hyenas start to laugh
Rhino likes to honk the horn as we go rolling past
And we tried to meet a cheetah,
But our bus can't go that fast, so we sing...

SAFARI SOGOODY, everybody come along!
SAFARI SOGOODY, sing our safari song, we say -
SAFARI SOGOODY, see the animals run free,
SAFARI SOGOODY, SAFARI SOGOODY for me!
SAFARI SOGOODY for me!
SAFARI SOGOODY for me!
