## IF MY FRIEND WAS HERE

**BANJO:** There are songs to sing and a big and cozy fire...  
**MILES:** There are treats to eat and decorations to admire...

**BOTH:** All the things that usually make me smile at my  
Favorite time of year, but...  
It would feel a whole lot better, if my friend was here

**BOTH:** If my friend was here with his/her hand in mine,  
We'd hug and it would all be fine,

We'd share a joke and laugh and play  
And it wouldn't feel like only half a holiday...

**BANJO:** But I won't give up and sit here feeling blue,  
**MILES:** I'll do my best, just like my friend would want me to

**BOTH:** Don't be sad, he/she'd say, coz I'm on my way,  
And the grey skies soon will clear...

**MILES:** But it would be a whole lot better if,  
**BANJO:** I would feel a whole lot better if,  
**BOTH:** It WILL be a whole lot better WHEN my friend is here.
