## They Can't Share Blues

**CURTIS:** My friends flew the coop

They're no where around

Can't share my feelings

Not a smile, not a frown

I feel so confused

I have the "can't share" blues

But Sproutlets...

You're here!

You're sharing your time!

Well I'll be your friend

And, bam!, you can be mine

With good friends like you, well

You cure my can't share blues

Thank you

Thank you so much

Thank you for sharing

I love sharing with you

You're beautiful

See you next time!
