## FIESTA SONG

words & music by Tim Burns

If you want to have a party that's the best'a  
Don't just have a party, have a fiesta,  
Put your dancing to the testa,  
when you're done you'll need a siesta  
Coz everyone has fun at a Fiesta!

We've got a, great big pinata,  
And it's bursting with candies so sweet,  
So come on let's go,  
Grab your sombrero,  
And pretend there are maraccas on your feet!

(Dancing: Shake shake shake,  
shake shake shake,  
We're going to have as much fun as we know how to make...)

So, if you want to have a party that's the best'a  
Don't just have a party, have a fiesta,  
Put your dancing to the testa,  
when you're done you'll need a siesta  
Coz everyone has fun at a Fiesta!  
Yes everyone has fun at a Fiestaaaaaaaaaaaaaaaaaa!  
Olé! Whew.
