CHILLIN' WITH A POLAR BEAR

words & music by Tim Burns

At the north pole so I'm told
it's cold, cold, cold, cold, cold
with ice and snow as far as you can see
but I don't need to worry
I've a special friend who's furry
And I know he will take good care of me...

I'll be chillin with my polar bear, with my polar bear (Yeah)
it's fifty five degrees below but we don't care
we'll be snug inside our igloo
it's warm and cozy and big too
we have games and stories and fish to share
chillin with my polar bear

Now if you freeze (brrr!) she'll warm you up
If you freeze (brrr!) she'll warm you up,
And if you freeze (brrr!) she'll warm you up
with a polar bear hug and hot chocolate in a cup
(although no fish flavored marshmallows for me, thanks)

chillin with my polar bear with my polar bear
we'll glide on a glacier and say hi to an arctic hare,
Well who knew it could be so nice
Playin' in the snow and ice..

I hope that I will see you there, chillin with my polar bear.
You don't even need long underwear when you're
Chillin with my polar bear! Raar!
