## AT THE LUAU

words & music by Tim Burns

We'll be soaking up the tropical sun at the luau  
Sipping coconut milk and having fun at the luau  
Stretch your arms up high to the pineapple trees  
Wave 'em back and forth with the ocean breeze  
So relax stay as long as you please at the luau

You can wear a grass skirt,  
(you can wear a grass skirt)  
Or just your regular pants  
(or just your regular pants)

But you'll want to join in when we do our traditional dance!

Yes we're gonna have a party the Hawaiian way  
It's sure to be a Honolulu of a day  
So Aloha, you're welcome to stay at the Luau,  
We say Aloha, you're welcome to stay at the Luau.
